An exciting opportunity has arisen for an experienced Textile designer to cover a maternity role. As an experienced Designer, you will take responsibility for the creation, design and development and have the ability to create a range of bedlinen products for both embellished and printed which reflect current trends and meet customer & market requirements.

The candidate must have experience and have gained a strong training in commercial design, degree level or similar in surface pattern or textile, and be able to use AVA design system.

Cascade Holdings is a unique supplier of decorative home lighting and bedding in the UK.

*This is a great opportunity to join a fast paced
creative bedding department*

*Apply by sending your CV/ application to
tracey.murphy@cascadehl.com*

Hours – Full time (Maternity Cover Approx 6-9 months) Mon-Fri 8.30am - 5.00pm start date from January 16
