

Textile Designer / Administrator

Friedmans are a market leading fabric wholesaler and retailer in the stretch fabric sector.

We are about to launch our first home furnishing brand: creating an exciting opportunity for a designer with the right blend of skills and experience. The successful applicant will be at the heart of this new brand helping with design, re-colouring, managing the website and many aspects of administrating this new business.

The role will be varied and so the ideal applicant will be adaptable, use their initiative, have good communication skills as well as being an excellent designer / colourist. Photography / styling skills would also be an advantage.

Minimum of two years CAD experience is essential, ideally in a home furnishing setting.

Salary is negotiable and based on experience.

How to Apply:

1. Visit www.friedmans.co.uk
2. From the **ColourMe** section select a design and create a new colourway which you feel is suitable for a home furnishing application.
3. Take a screenshot of the colourway and send it to Nick Thomas nick@friedmans.co.uk along with your CV and a couple of sentences telling us why you think you would be suitable for the role.
