
Turnbull designs ltd

Turnbull Designs Ltd create and manufacture specialist furnishing fabrics for the middle and upper levels of the interiors market.

In addition to the core business of Screen Digital production, it produces complex Hand-Block printed fabrics, weaves & Shadow Tissues.

The main production facility is located in North Eastern Thailand, where a vacancy exists to join the Digital / Design development team.

The ideal candidate would possess the following :

CAD / Photoshop / AVA.

Design development / separation / file preparation.

Operational experience within a digital printing unit.

Studio experience and the ability to oversee staff and the development of creative product.

The desire to live and work in Thailand, be able to understand cultural differences & make daily logical and common sense decisions with the staff.

We are open to a broad range of applicants and backgrounds, although the ability to communicate well in English is a fundamental requirement.
