

Creative CAD Designer

Home Textiles

Turner Bianca is a world leader in home textiles, supplying major retailers in the UK and across the globe.

Passionate about design and innovation, we have a clear mission to be the best in the industry.

We are currently looking for a highly creative and motivated home textile designer to join our vibrant and busy studio.

Commencing August 2018 on a fixed-term 12 month contract to cover maternity leave, Knowledge of AVA CAD software is essential.

Reporting to the Design Director, you will be working with an inspirational group of highly talented people in a friendly environment. Salary is negotiable, dependent on experience.

Please send your CV and examples of your work to – recruitment@turner-bianca.com
