Philippe Capelle

TEXTILE AND SURFACE DESIGNER

Experienced in creating collections, technical and industrial follow-up and customer contact, I'm seeking creative opportunities in textile and surface design.

SKILLS

CAD/CAM software training

- CAD/CAM software training for textile and surface designers.
- Creation of designs for training materials.

Design and development

• Recherche et préparation de panneaux d'ambiance selon les tendances du marché.- Creation and development of design collections.
- Design, purchase and technical adaptation of designs.
- Monitoring and development of sampling and production.

Sales & Marketing

- Creation of marketing tools: mapping, catalogs, labels, logos.
- Sales prospecting and customer follow-up.

Management

- Set up and management of a design studio
- Interface between sales and production departments
