Manchester Airport is approximately 30 minutes by car.

Liverpool John Lennon Airport is a 60-minute car journey.

You can also take the **130 bus** directly from Manchester Airport to Macclesfield. The journey takes approximately 1 hour 30 minutes, depending on traffic.

By car

The postcode for your sat nav is **SK10 1EE.**

What3Words (car park entrance): **///poppy.grin.blend**

Please note: your sat nav may indicate you've arrived slightly before you reach our building. At the crossroads by the library, turn right onto King Edward Street, then take the next right into our car park.

Parking - Free parking available on-site for visitors. Please share your registration plate details with us so we can log your car in the parking system.

Entrance

The entrance is located at the back of the building via the car park. You'll find an intercom system at the door with instructions. Once inside, turn left - our offcies are on the first floor.
