- Skilled in designing **repeat pattern** through traditional skills and **AVA,** as well as **colour separations** and **Adobe Photoshop.**
- Skilled in various different printing processes such as reactive dyes, devore an digital repeat designs.

## WORK EXPERIENCE

**IONA CRAWFORD- INTERNSHIP (JUL-OCT 2024)**

Throughout this internship I gained valuable insight into sampling for a printed textile brand. I overlocked and organised samples to be sent off to clients.

**THE HOLLANDBUSH - WAITRESS (MAR- 2022- CURRENT)**

**THE ROSE BANK - WAITRESS (SEP 2020 - MAR 2022)**

**THE BLACK BULL - WAITRESS (DEC 2018 - SEP 2020)**

Responsible for greeting and seating customers, taking orders, serving food & drinks, handling payments, making sure tables were clean and presentable and that customers had a pleasant dining experience.
This role helped me develop excellent communication skills, as I had to interact with colleagues and customers; strong organisational skills, as I had to manage multiple tables and orders at once; and the ability to work under pressure.
